3. 16-07 "Class Grievance Step 4 (Fire Commission Referral) – Consideration of Grievance: In Re: Pay Raise related "Class Grievance" filed by W. Newton as President of Union. The "Class Grievance" asserts (in general) that the Union Contract limits the authority of the District (through the Chief) to single step pay increases for members of the bargaining unit. The Fire Chief has considered the "Class Grievance" and determined that there is no merit to the grievance in that the Contract does not limit the employer to a single step pay increase for members of the bargaining unit. Mr. Newton will present argument to the Fire Commission that the Contract does carry the single-step pay increase limitation."
