## PUBLIC FACILITIES REPORT AS REQUIRED BY CHAPTER 189.415 F.S.

Adopted by the Board of Fire Commissioners on January 19, 2016.

As required by Chapter 189.415 F.S., the *Pinellas Suncoast Fire & Rescue District* provides the following:

- (1) The Pinellas Suncoast Fire & Rescue District provides this information to assist in the development of comprehensive plans and to foster coordination between the District and the County of Pinellas, Town of Belleair Shore, City of Belleair Beach, City of Indian Rocks Beach, and Town of Indian Shores.
- (2a) The District operates three fire stations:

**Station 26** – 19305 Gulf Blvd., Indian Shores, FL 33785

Legal Description: INDIAN PASS BEACH RE-REV BLK 1, PT LOTS 11,12,13,14 & VAC ST LYING E OF GULF BLVD & LAND TO NARROWS & SUBM LAND

Station 26 provides fire protection, fire prevention, and advanced life support emergency medical service to the Fire District and the surrounding fire service delivery systems through the automatic aid system with one squad and a paid, full-time Lieutenant and Firefighter/Paramedic.

**Station 27** - 304 First Street, Indian Rocks Beach, FL 33785

Legal Description: Indian Rocks Beach Block 9, Lots 17, 18, and 19 (12/30/14/42858/009/0170).

Station 27 provides fire protection, fire prevention, and advanced life support emergency medical service to the Fire District, and the surrounding fire service delivery systems through the automatic aid system. Services are managed by administrative staff, support personnel, and response units manned with a paid, full-time District Chief in a vehicle, a fire apparatus with a paid, full-time crew of one Lieutenant and two to three Firefighter/EMTs or Firefighter/Paramedics. Other units include a reserve squad, a marine unit, and a reserve District Chief vehicle.

**Station 28** - 13501 - 94 Avenue North, Seminole, FL 33776

Legal Description: Country Gentlemen Acres S ½ of Lots 1 and 2. (20/30/15/18612/000/0011).

Station 28 provides fire protection, fire prevention, and advanced life support emergency medical service to the Fire District and the surrounding fire service delivery systems through the automatic aid system with a quint aerial truck, a reserve engine, and a paid, full-time crew of one Lieutenant and two to three Firefighter/EMTs or Firefighter/Paramedics. Station also houses a full maintenance and fleet shop with a full-time emergency vehicle technician, and maintenance person.

(2b) Station 26 – We are in the process of looking into purchasing property for a permanent fire station in the next two years.

Station 27 - We are continuing to look at rebuilding the station.

Station 28 - Possible changes are planned in the next five years to pursue building a new station on existing site with supplemental state or federal grants, funds from the Penney for Pinellas, and based on revenues.

(2c) The District has no changes anticipated from the ten-year plan that differs from the five-year plan.

(2d) Station 26 - The District has no plan for any changes in the next five years other than (2b).

Station 27 - The District has no plan for any changes in the next five years other than (2b).

Station 28 - The District has no plan for any changes in the next five years other than (2b).

(2e) Station 26 – There are no anticipated changes other than (2b).

Station 27 - There are no anticipated changes other than (2b).

Station 28 - There are no anticipated changes other than (2b).

Report complete.
